A few suggested changes. This information appears to be on the points she raised, but may not change her request for a meeting. Can you copy me on the response to her or let me know when she responds to you?

Subject: Meeting Request

Hi Hayley,

OMB would like to schedule a meeting with you early next week to discuss the Asbestos SACC panel. We would like to focus the conversation on the concerns with the panel membership and ensuring that there is a representation from health. Part of our interest in meeting is to address what occurred with the TCE panel and ensure that this does not occur for the Asbestos panel. Also, we heard that the charge questions are going to be changed and would like to discuss this development as well.

Could you let us know if the following times work for you?

Monday, 4/13: 12:30-1:30

Wednesday, 4/15: 2-3

Thursday, 4/16: 2-3

Friday, 4/17: 10-12:30 and 2-3

All the best,
Danielle
